# PLAYING ETIQUETTE

## Note:

1. Inspect the Notice Board before start of play for temporary local rules and other information.
2. It is the imperative duty (and it should be made a matter of pride) for all to see that divots are covered with sand and that the footprints in bunkers are made smooth and plug marks on greens are repaired.
3. Players searching for a lost ball should promptly call the following players through, and having done this, should stand aside until these players are passed and are out of range.
4. Players should pick up as soon as a hole is lost in par or a point cannot be scored in Stableford.
5. When the result of a hole has been determined, players must leave the greens before marking their cards.
6. The putter head is not to be used to retrieve a ball from the hole.
7. Each player will be responsible for the observance of the rules and etiquette of the game.
8. Motorised buggies to be kept at least 10 metres clear of greens. Grounds staff have right of way. Please await signal to proceed.
9. The flag must not be used to wipe golf balls.
10. Care must be taken when moving hoses or sprinklers, they must be replaced and turned on.
11. Slow play can be a great annoyance to following players. It is the duty of the lowest handicapper in a party to ensure that the party is never more than three quarters of a hole behind the preceding players, except for Par 3 holes. Penalties for slow play can be imposed (See Rule 6-7) and after suitable warning, will be imposed.  
NOTE: Players should not play their shot until all players in the group ahead are out of their range.
